**GERALTON GRAMMAR SCHOOL**

## *A message from the Principal*

2019 saw some significant changes in our School as we forge forward as the premier school of the Midwest. The year started with much delight with our 2018 cohort having outstanding ATAR results, which

made Geraldton Grammar School the Top Country School in WA for 2018. There are approximately 150 high schools in WA and overall we were placed 28th, ahead of many Perth schools.

This year we had some unique school changes occur, to name a few:

- We introduced an Arts, Sports and Academic Captain into our Student Leadership team,
- we introduced HUBs and HUB Captains to invite student voice from across the school,
- we finally completed the long awaited basketball courts building one for primary and two for secondary,
- the girls had trousers introduced into the uniform,
- we had our inaugural Arts Day,
- we introduced a new House Awards System where students can work towards earning a badge for their House in each of the three HUBS in Secondary,
- we had our first 3 week July school holiday,
- we extended the school day to allow more meaningful time for events that sit outside the curriculum, such as the Child Safe Curriculum, more worthwhile House activities and a Dalton period for years 7-10 which allows students to ask for help in an area of need,
- more guest speakers were invited to assemblies,
- a sports period for years 11/12, which was not there in previous years and
- we attended our very first ACC Cross Country event in Perth.

This year also saw us increase our campus time for our Student Wellbeing Officer as we try to combat and prevent the increase in mental illness that is occurring across Australia in young people.

In terms of curriculum, we brought in the future-ready skills across the whole school so our students are better equipped to handle what lies ahead in a world that is rapidly changing and jobs as we knew them 10 years ago are disappearing. We focused on a different skill each term - critical thinking, creativity,

collaboration and communication. We introduced continuous feedback so that parents and students receive feedback on where the learners are in their learning, where they are going and how to get there. E-portfolios were introduced in the primary school through SEQTA for years 3-6 and SeeSaw for our early learning classes. As a school, we continued on our journey of making students assessment capable through teachers developing learning intentions and success criteria.

### Some of the highlights this year include:

- The Senior Choir, Rock Band and Clarinet Ensemble placed 1st in the Geraldton Music Festival.
- Dylan Spencer, Year 8, was an individual winner in the Midwest Spelling Bee Competition.
- Raine Wheatley, Year 9 and Xavier Shiosaki, Year 4, each received 1st prize in the Randolph Stow Young Writers Awards.
- The Debating Team, comprised of Ciedele Mezger, Randall Starling and Zephyr Milnes placed 1st at Senior Country Week.
- Mixed Volleyball and our boys AFL team won 1st place at District High Country Week.
- Oscar Lin and Matthew Chamberlain, Year 8, received a High Distinction Excellence in the Royal Australian Chemical Institute's Australian National Chemistry Quiz.
- Oscar Lin, Year 8, received a High Distinction in the UNSW ICAS testing for Science.
- Omar Hassan, Year 8, received a High Distinction in the Royal Australian Chemical Institute's Australian National Chemistry Quiz.
- Nicole Chamberlain, Year 6 and Christi Bestry, Year 7, placed in the top 5 in the All Schools Cross Country Championships and then went on to represent WA at the Nationals.
- Lhyncee Cabuguas, Year 12 and Irylle Cabuguas, Year 11, were chosen to attend the International Science School in Sydney.
- Matthew Chamberlain, Year 8, received a High Distinction in the UNSW ICAS testing for Mathematics.
- Omar Hassan, Year 8, received a High Distinction in the Australian Geography Competition.
- Elliot Beat, received an Emerald Award, Angela Addison received a Silver Award, Breanna Mead received a Bronze Award and the Year 10 students were placed 14th out of 233 schools competing in Education Perfect Humanities Championships.
- Charlotte Olsen's piece was chosen for the Year 12 Perspectives Art Works for the Genesis Art Exhibition.
- Phoebe Teakle, Year 6, received 1st prize in the 2019 State Chinese Writing Competition.
- Lily Scrimgeour, Year 6, was the recipient of the Australia China Friendship Society of WA Award.
- Indi Smith, Year 11, was selected in the Women's Open WA Country Waterpolo team which competed on the Gold Coast. She was the youngest team member at age 16. They played 9 games over the 4 days, and made it through to the bronze medal match.
- Abby Green, Year 9, Indi Smith, Year 11 and Tabitha Rowe, Year 12, competed in the State Equestrian Festival. They were awarded runner-up Champion Secondary Showjumping team and overall Champion Rural School.
- Christi Bestry and Lailah Belottie, Year 7, won the Junior Girls Interschool Surfing competition and qualified to compete in the state finals.
- Primary Champions in Cross Country – Greenough Division.
- Primary Handicap Shield for Athletics – Greenough Division.
- Primary School Science and Engineering Challenge winner – Midwest.
- Primary Tournament of Minds Spontaneous Challenge winner – Midwest.
- The Percussion Ensemble for lower and upper primary, Choral Speaking Group lower primary, Vocal Group under 13, Choral Speaking Duo or Trio upper primary and Recorder Band junior all received 1st place.
- Primary Tennis Midwest Redball Competition winner.

Thank you to all the teaching and non-teaching staff for the goodwill they give in order to make sure our students are afforded as many opportunities as we can possibly manage. In particular, the following staff need to be recognised for their years of service to the school and we thank them for their contribution. A sign of a good school is the stability of its staff.

5 years of service to the school we thank, Cherrie Buckley, Katie Clarkson, Ben Matthews, Donna Trusso, Karina White and Harley Young.

10 years of service to the school we thank, Amanda Burges, Jayne Caley, Rose Gray, Chad Greenaway, Karen Jackson, Nicky Martin, Simon Moffatt, Nicole Morton, Graeme Munday, Marion Nelson, Rachel Opalinski and Amy Price.

I would like to thank my Senior Leadership Team for their work this year in preparation for the Non-Government School Regulation team's visit to the school for an independent review of Geraldton Grammar School for the purposes of re-registration. This meant hours and hours of work, which fell on this team. They never complain and I feel so fortunate to have such a strong team to help me lead this school.

I wish the graduating class of 2019 all the very best in the future. They are classified as generation Z, the digital integrators who were shaped in an era where society started looking at screens more than faces. They have integrated technology seamlessly into their lives and having used it from a young age, it is almost like the air they breathe, permeating all areas of their lifestyle and relationships where they are only ever a few clicks away from any piece of information. As they are living in a regional area, technology provides them with the means to connect across countries and cultures. They must also heed the advice of managing their digital tattoo, like real tattoos, it is permanent, make it a career enhancer rather than the other way around.

Finally yet importantly, I thank the Chair of Board, Gareth Rowe for his unwavering support of the School together with the other members of the Board. They are committed to seeing the School grow, be a school with a great education, opportunities and care for the students and staff.

**NEESHA FLINT**  
**PRINCIPAL**

Being inducted as School Captain in my final year of schooling has been an honour and a privilege for me. Because of this, I have been able to represent and interact with the many wonderful people within Geraldton Grammar School and our wider community. I would not be who I am today, without the impact of every teacher, student and staff member and for the opportunities presented to me. I wish to thank you all for every memory, laugh, and cry as it has truly made my experience here, one I will never forget. Some favourite memories over the years are the sports carnivals, music and drama performances, school balls and Outward Bound. Some advice to others;

The more you give, the more you get;  
 The more you laugh, the less you fret;  
 The more you do unselfishly,  
 The more you live abundantly.  
 The more of everything you share;  
 The more you'll always have to spare.  
 The more you love, the more you'll find;  
 That life is good and friends are kind.  
 For only what we give away,  
 Enriches us from day to day.

by Helen Steiner Rice

I am truly grateful to be Geraldton Grammar School's 2019 School Captain and I wish everyone the best in their own journeys. May you gather many wonderful memories of your own.

**Ciedele Mezger**

## *A message from the School Captains*

It has come time for me to start a new chapter in the 'book of life'. How have the days disappeared so quickly? Time is the most precious resource in all of our lives, but yet the biggest resource that we take for granted. As I craft my final message, the feeling of time flying has never been more real. But no matter how fast my time has flown, it hasn't stopped me for one moment from enjoying my time at Geraldton Grammar School. This school has helped me become the individual I am today, for which I can not thank our school community enough.

To the teachers;

I tell the absolute truth when I say the staff have all played a colossal part in making my time here memorable. Being thrown into the bush with Miss Bruce for my first Outward Bound, I developed my leadership abilities and strengthened friendships. I remember creating my music website with Mr Friesen and having limitless laughs in Mr Pusey's Media class. I will never forget Mr Da Silva's endless wisdom as well as Mr Zander countlessly making the Methods class laugh. Returning to the bush in Year 11, I will always cherish Ms Hann exchanging her 'teacher's hat' for one of a 'bush buddy', throughout our 10 days in the desolate and thick shrubbery. Mr Angelatos always made Chemistry "interesting", teaching us how to make "esters" that smelled like vinegar, even though he insisted it smelt like nail polish. Ms Morton was always willing to give the best feedback for any English assessment in which I cannot thank her enough.

To the students;

As you already know, life is short. Entering Year 12, I have never seen life move so quickly. I believe it is important to stay calm throughout your schooling years as you face what seems like an eternity of obstacles. Time is so, so precious and once you've lost it, you can never get it back. The worst thing to have at the end of your schooling career is regret, so take every opportunity that you are presented with and cherish every second of it. You only have one life, so live it.

**Scott Batty**

## *A message from the Board*

At the centre of everything we do is our children: it is a simple statement but it is clear and unambiguous and every decision, action, plan or investment can be judged against this. The reflection of this last year was the exceptional ATAR results of our year 12s which propelled us into the top regional school in WA for 2018. The cohort excelled, our parents supported them and your school facilitated it. At the centre of this were the actions of the staff which make up such a significant part of this. Well done!

On behalf of the Board, I want to recognise and thank all the staff at our School for the significant work and effort that they so selflessly put in entirely for the good of our students: it counts.

A mountain of work has been done this year. Re-registration - the licence by which we are allowed to operate - occurred in the middle of the year. New standards and expectations were introduced which significantly increased both the work beforehand but also the expectations that are leveled at the leadership of the School. It is a good process and challenges us to make sure we have our policies

and procedures in place but also checks that we truly live by them....by any measure it is a significant audit.

I wish to acknowledge retiring Board members Rob Dines and Zane D'Mello for their positive contributions, clarity of purpose and engaging debate. Your school cannot function without a Board and I welcome three new board members Gabrielle Bracks, Allan Butson and Peter Gerada. They bring different skill sets and hope they enjoy their time on the Board. At the same time, I want to thank those that applied to join but were not successful: it is so pleasing to see such enthusiasm and is again a reflection of the success of our school. The Board is the custodian of the School but in itself, it continually evolves which again is why it is so important to have a clear vision centering on our children.

I thank the Board for the work they have done over the last twelve months and the active support that they have shown to me. We have significant responsibilities and I know that there is a growing clarity of purpose and recognition of the work that still needs to be done.

No one can fail to notice the changes that continue to “lift the bar”. The standout for me is the basketball courts....again it clearly runs to the centre of our purpose....our children.

Make no mistake Mrs Neesha Flint champions this. Her integrity, energy, drive and determination is something we should all be grateful for. Principal of a regional school in a small city will always present its own set of unique challenges and indeed change and the management of it is not always easy or readily accepted.

At last year's end of year speech events, I announced our intention to endeavour to build the last part of our School which is missing....The Gym. With the local economy still in a lacklustre phase, the Board has tried hard to maintain fees cognisant of this and maintain the best value for money. We have taken the view over a number of years that we would only levy fees to prudently cover our costs and no more.

To build the gym though is a major capital commitment and we will need your financial support. It is the right thing to do....for our children, so it is front and centre of our purpose. The building trade has capacity at the moment and it is important that we provide good facilities to maintain your regional community. Your Board prepared a detailed submission and we have applied for a significant capital grant. It is ambitious and we certainly worked hard in presenting our case to best effect in hoping that we would gain the maximum support we possibly could. The application was received favourably but we still await the final outcome of this.

The reality is though that just as when the School was first started we need to ask for financial support, the more we can do this as a School community the better the result. It is only for our children but it is not just a Board and Principal responsibility, it is a whole community scheme.

As we close for the year and enjoy the Christmas and summer break you have a Board and Principal who are committed to seeing this build take place but we want everyone in our school community to have ownership of this and hope that come next year we can count on your support.

In the end, it is the people that make our School standout and the children that benefit. It is all to do with creating and maintaining the best caring environment for our children. Get it right and the School provides a special place enjoyed by children, they rapidly grow and the intangibles of high self-esteem, resilience in adversity, tolerance and the willingness to try new things gives them the best chance of success and happiness in their own lives.

A dedicated gymnasium is only going to add to this and provide positive benefits.

Thank you for your interest and support.

**Gareth Rowe**  
**Chair**

## *A message from the P&F*

What a wonderful 2019 year the P&F has had, especially as we reflect on the huge amount that has been achieved by a new and vibrant Committee. It has been an absolute pleasure to be a part of a committed team.

To recap on a couple of our highlights for 2019:

- The well-known "Welcome Sundowner" saw many new faces to Geraldton Grammar School and it was a lovely way for existing families to see in the new school year.
- Following on from 2018 Committee plans, we hosted the "Mud Run" early in the year with not just the students getting involved but many parents as well. The weather couldn't have been more perfect for the event and as was previously requested the event was to raise funds for a multi-use trailer for the whole school to utilise. To date, the trailer has mainly been used by the sport and music departments, allowing our students to perform at external events.
- The trailer was been purchased and will look amazing with the school logo emblazoned on it.

The GGS 2019 Art Show was a true "Show Stopper" with so many compliments from the Community it is just too much to write. A massive Thank you to those who coordinated this event, Mel Sojan, Kristy Fong and those who worked tirelessly volunteering and supporting this wonderful event. I have to say that this has been the talk of the year and with so many funds raised towards the expansion of our School with the Gymnasium.

I feel that this Committee has outdone themselves on the ability to cater for events and it was a true partnership of the P&F with the School which enabled this to happen. With the Carnival of learning evenings, The Art's Day and the Athletic Carnival enabled the P&F to raise over \$4300 in these events alone.

In 2018 we ended the year with a huge Christmas Sundowner that became the talk of the community and the bar was set high to future expectations of P&F events. I can confirm that a spectacular Christmas Sundowner was achieved with free bouncy castles, water slides, electric animal rides, the "bucking bull", music by our fantastic DJ Pusey. Along with some fabulous food vans and stalls, it was a great evening despite our famous Geraldton wind.

The objectives of the Parents & Friends of Geraldton Grammar school are to raise funds, build a community and to in line with the school to achieve the best we can for our students. We have held several fund-raising events both within the school and externally with a highlight being our Bunnings Sausage Sizzle which we hope to make a regular yearly occurrence.

I would like to acknowledge Rigters IGA this year for their support and extremely high customer service that has been so helpful and of course the sponsor of \$1045.25 from their rewards scheme.

As always, I am in awe of the hard work and dedication of all the staff at the School, the hours of time that is put in behind the scenes is something that when working with the school you start to appreciate. The amount of support that is given to the P&F from members of the school staff is amazing with setting up events, sourcing items and volunteering time. Thank you.

Also, a huge thank you to the whole school community for supporting the P&F, especially all of those who volunteer and the wonderful business supporters of which without your help we could not have achieved so much.

I would like to take this opportunity to say how I have thoroughly enjoyed being a part of such a strong, determined and wonderfully warm group of people and the enthusiasm has been uplifting. A real "can do" mindset. This year has truly been an amazing year and Thank you does not seem enough. It has been a year of laughs and good fun!

I give my best wishes and support for the new committee of 2020.

Wishing you all a wonderful festive season and summer holiday!

**Helen Painter**

## Junior Representative Council

This year we have experienced many wonderful activities which have enriched student learning. Throughout the year we invite special guests to the school and hold special events to value add to our learning program. This year we experienced the Taiko Drums, Wild Man, Revolting Rhymes, our inaugural Arts Day, we hosted the Tournament of Minds & Engineering challenge and we held our usual events with

Grandparents Day remaining a special day for us all.

Our camps program sets us apart from other schools in the region. Our year 3's begin the camps program with a sleepover.

The year 6 camp to Canberra is undoubtedly a highlight, Year 4's learn all about Geraldton on their camp and the year 5's journey to Perth for a city experience. We are privileged to be in the position to offer these wonderful opportunities for our students.

Our sporting achievements - This year we were crowned champion Cross Country School for the third time, we won the Greenough division athletics handicap shield and the primary Tennis Midwest Redball competition.

Our performing Arts achievements - The Percussion Ensemble for lower and upper primary, Choral Speaking Group lower primary, Vocal Group under 13, Choral Speaking Duo upper primary and Junior Recorder Band won there sections at the Music Festival.

We were the Midwest Primary School Science and Engineering Challenge winner and the Midwest Tournament of Minds Spontaneous Challenge winner.

We continue our strong representation in Mandarin at a state level. A year 6 student received 1st prize in the 2019 State Chinese Writing Competition and another year 6 was awarded the Chinese Friendship Award.

2019 has definitely been a year of diverse celebrations and accomplishments.

The most important part of this evening is undoubtedly the celebration of learning and our students. Visit any classroom and you will witness the diversity of learning experiences and opportunities for our students. Investigations, inquiry and learning through intentional play empowers our students to explore the world. Walker Learning is our signature pedagogy. It values, respects and authentically honours the individual child and views the child holistically, placing emotional and social development of equal importance as the academic. The starting point and emphasis is relationships with a child (and family) and personalising their experiences to set each child up for success. Walker Learning recognises that sustained motivation for learning comes from within, that meaningful assessment is the constant reflection of where one was, where they have grown, what they have attained and where they are heading. As our signature pedagogy it embodies the values we hold dear at Geraldton Grammar and when the two meet, magic happens.

**THOMAS AULD**

My favourite day at primary school was ... meeting Todd.

**SOFIA BURROWS**

My favourite day at primary school was ... when we visited the the AIS in Canberra.

**ANNA CALEY**

My favourite day at primary school was ... when we went on year 6 camp.

**JOSIAH CAREY**

My favourite day at primary school was ... the colour fun run.

**NICOLE CHAMBERLAIN**

My favourite day at primary school was ... my first day in pre primary being one of the 'big kids'.

**ALEXIA ELLIOTT**

My favourite day at primary school was ... when I got 4th in triple jump at the Inter-Schools jumps and throws.

**TEYAH GALLARZA**

My favourite day at primary school was ... when I went to Canberra with my friends.

**REMY GAUDRON**

My favourite day at primary school was ... when I scored two amazing soccer goals with my weak left foot.

**ABBIE HAGAN**

My favourite day at primary school was ... book week.

**SOPHIA KALAJZICH**

My favourite day at primary school was ... the night at year six Canberra camp when we were all going bowling and we told Mr Matthews that we were going swimming at the AIS so he dressed in his bathers!

**GIDEON KENTISH**

My favourite day at primary school was ... Canberra camp.

**VIOLETTE KRIZANEK**

My favourite day at primary school was ... year 6 camp to Canberra.

**CAITLYN MANN**

My favourite day at primary school was ... the 2019 Athletics Carnival when my Pre-Primary buddy and I both got Champion Girl!

**ZAC McDONALD**

My favourite day at primary school was ... when Mrs Baldock showed us how to make cardboard didgeridoo.

**DREW MURDOCH**

My favourite day at primary school was ... getting Murchison House Captain and meeting my friends.

**ANGELINA NGUYEN**

My favourite day at primary school was ... when I went to year 5 camp with friends.

**JAMESON NOLAN**

My favourite day at primary school was ... meeting Levi, Liam and Ki.

**MATILDA PATTEN**

My favourite day at primary school was ... definitely Canberra, it was extremely fun and a amazing opportunity.

**TAYLOR PENNEY**

My favourite day at primary school was ... when we flew to Canberra because we were all excited to go and it was fun.

**SARAH PRICE-WALKLEY**

My favourite day at primary school was ... when I got elected as class representative for 3/4 White.

**CHARLIE REGAN**

My favourite day at primary school was ... year 6 leadership camp.

**LILY SCRIMGEOUR**

My favourite day at primary school was ... in year 2, Mrs Hann noticed that I was loaning a book from the older readers section, but when I took it to her, she just smiled and told me that I could take it as long as I kept it secret.

**CALEB SEWELL**

My favourite day at primary school was ... when I hanged out with my friends at the Inter-School Athletics Carnival and we won!

**ROBYN SLUKA**

My favourite day at primary school was ... when I met my friends and spend all my time with them.

**HAMISH SOJAN**

My favourite day at primary school was ... when I got Primary School Captain.

**AMARA STARLING**

My favourite day at primary school was ... the first day I came to this school in Kindy and got to have nap time.

**STELLA TAYLOR**

My favourite day at primary school was ... when my classmates and I went into Mrs Mundy's office and popped party poppers in her office because Mr Matthew's told us to.

**PHOEBE TEAKLE**

My favourite day at primary school was ... going to year 6 camp with all my friends.

**JAMES TINDALL**

My favourite day at primary school was ... year 6 camp was my favourite week.

**TODD VINCE**

My favourite day at primary school was ... when I met my friend Tom.

**FERGUS WATSON**

My favourite day at primary school was ... year 6 Canberra camp.

**REMI WHEATLEY**

My favourite day at primary school was ... running around in class saying hi to everyone when I was in Kindergarten and I ran into Amara Starling. Ever since that day, we have been great friends and I will always treasure that memory.

# SECONDARY SCHOOL

School Captains  
Ciedele Mezger  
Scott Batty

Academic Captain  
Tristan Batty

Service Captain  
Anna Nguyen

I would like to congratulate all secondary students on another successful year. By looking through this publication of the archway you can get a sense of the amazing opportunities available to students at Geraldton Grammar School. I thank the staff who provide the platform for these opportunities to exist and encourage students to continue to challenge themselves both cognitively and physically. Finally, to the class

of 2019 I wish you every success as you look to find employment, complete further study or travel. I leave you with one final quote of our year 12 motto:

“If you want something you have never had, you must be willing to do something you have never done”.

## MR SIMON MOFFATT

# CHAPMAN

2019 HAS BEEN YET ANOTHER FUN-FILLED AND ENJOYABLE YEAR FOR THE HOUSE OF CHAPMAN. KICKING THE YEAR OFF WITH A WIN IN THE SECONDARY SWIMMING CARNIVAL AND WAR CRY COMPETITION WAS A FANTASTIC ACHIEVEMENT BY EVERYONE IN CHAPMAN AND ONE THAT COULDN'T HAVE BEEN ACCOMPLISHED WITHOUT EVERYONE TRYING THEIR HARDEST. WHILE OUR SUCCESS IN SECONDARY MAY HAVE TAPERED AS THE YEAR PROGRESSED, OUR TEAMWORK AND COMMITMENT IN ALL HOUSE ACTIVITIES SEEMINGLY INCREASED WITH EACH PASSING WEEK. HOUSE SPIRIT IS SOMETHING THAT CHAPMAN PRIDES ITSELF ON, AND WITHOUT OUR PASSIONATE HOUSE DIRECTORS MRS BUCKLEY AND MS HANN, CHAPMAN WOULD ONLY BE A FRACTION OF THE WONDERFUL FACTION IT IS TODAY. WE ARE ALL SO LUCKY TO HAVE TEACHERS LIKE MRS BUCKLEY AND MS HANN, COORDINATING THIS GLORIOUS HOUSE WE ARE ALL A PART OF. THEY HAVE TRULY MADE THE HOUSE CAPTAIN'S ROLE SO MUCH EASIER THIS YEAR, AND FOR THAT, I SAY THANK YOU. TO NEXT YEAR'S SECONDARY HOUSE CAPTAIN, WADE CUTHBERT, I WISH YOU ALL THE BEST AND I TRUST THAT YOU WILL DO A FANTASTIC JOB IN THE ROLE.

## KANE CHESSON

### HOUSE DIRECTORS

SECONDARY - CAROLINE HANN

PRIMARY - CHERRIE BUCKLEY

### HOUSE CAPTAIN

KANE CHESSON

### PRIMARY HOUSE CAPTAINS

SEMESTER 1 - GIDEON KENTISH

SEMESTER 2 - CHARLIE REGAN

# GREENOUGH

2019 HAS BEEN ANOTHER FANTASTIC YEAR FOR GREENOUGH HOUSE. THE HOUSE OFTEN REGARDED AS 'THE UNDERDOG' HAS GONE ON TO ACHIEVE SO MUCH IN A YEAR. THE YEAR STARTED WITH A BANG WITH GREENOUGH RECEIVING THE SPIRIT AWARD AT THE SWIMMING CARNIVAL AND IT DIDN'T STOP THERE. OUR DETERMINED AND ENTHUSIASTIC MEMBERS THEN WENT ON TO WIN THE CROSS COUNTRY, ATHLETICS AS WELL AS SPIRIT AWARD AT THE ATHLETICS CARNIVAL. GREENOUGH HAS ALSO PUT A TREMENDOUS AMOUNT OF EFFORT INTO OTHER HOUSE ACTIVITIES, WINNING THE ANNUAL LIP SYNC BATTLE. HOWEVER, ALL OF THESE SUCCESSES WOULD NOT BE POSSIBLE WITHOUT THE EFFORT AND DEDICATION OF MRS PLUMMER AND MS MARTIN. THEY BOTH GO ABOVE AND BEYOND IN PREPARING THE HOUSE FOR CARNIVALS WHILST ALSO BEING A CONSTANT SOURCE OF ENCOURAGEMENT. IT HAS BEEN A PLEASURE WORKING WITH SUCH A SPIRITED HOUSE THAT IS SO WILLING TO GET INVOLVED IN EVERYTHING, WHETHER IT IS WHERE OUR STRENGTHS OR WEAKNESSES LIE. A HUGE THANK YOU MUST GO TO ALL THE GREENOUGH TEACHERS AND STUDENTS FOR MAKING THIS YEAR SUCH A FABULOUS AND MEMORABLE ONE!

## TABITHA ROWE

SEMESTER 1 - AMARA STARLING

SEMESTER 2 - FERGUS WATSON

GREENOUGH - SECONDARY SCHOOL  
HOUSE OF THE YEAR FOR 2019

# IRWIN

AS IRWIN HOUSE CAPTAIN I AM PLEASED TO REPORT THAT WHILE WE DIDN'T QUITE SWEEP THE BOARD LIKE LAST YEAR WE HAD SOME CLOSE CALLS, AND I CAN PROUDLY SAY THAT WE PUSHED OUR LIMITS AND IT SHOWED. IRWIN'S SPIRIT REALLY SHINED IN HOW WE SUPPORTED EACH OTHER FOR EACH CARNIVAL AND STAYED POSITIVE THROUGHOUT THE DAY, SEEING EVERYONE IN HAPPY SPIRITS WAS SOMETHING I HOPE CONTINUES THROUGH THE YEARS. IRWIN WAS REPRESENTED IN THE STEM ACTIVITIES WITH US WINNING THE NEWSPAPER TOWER, CATAPULT AND EGG DROP! (WE TOTALLY 'SMASHED' IT)

THANK YOU TO THE IRWIN HOUSE DIRECTOR MRS OPALINSKI FOR GUIDING ME THROUGHOUT THE YEAR AND BEING A CONSTANT SOURCE OF HELP. FINALLY, THANK YOU TO MR MATTHEWS AND ALL THE IRWIN TEACHERS AND STUDENTS, YOUR SOCIABILITY MAKES MY POSITION AS HOUSE CAPTAIN REWARDING AND I GAINED MANY FRIENDSHIPS IN MY FINAL YEAR. I WISH ALL OF YOU THE BEST FOR THE FUTURE!

# MURCHISON

I HAD THE OPPORTUNITY TO LEAD THE GREAT MURCHISON HOUSE FOR 2019. THIS YEAR WAS FULL OF CLOSE WINS AND I'M PROUD TO SAY - THAT WE SUSTAINED A GOOD ATTENDANCE AND PARTICIPATION RATE IN ALL OF THE HOUSE EVENTS. OUR LEVEL OF TEAMWORK AND SPORTSMANSHIP WAS GREAT TO SEE IN THE SWIMMING, CROSS COUNTRY AND ATHLETICS CARNIVAL IN ADDITION TO THE ARTS DAY AND THE WEEKLY HOUSE ACTIVITIES. I WOULD LIKE TO SEND OUT A BIG THANKS TO MR SLOAN FOR KEEPING ME IN CHECK AND FOR ASSISTING ME IN MY ROLE THROUGHOUT THIS YEAR, I COULDN'T HAVE DONE IT WITHOUT YOU. A HUGE THANKS ALSO TO THE MURCHISON HOMEGROUP TEACHERS FOR LENDING A HAND AND HELPING MOTIVATE THE STUDENTS TO DO THEIR BEST.

THE PRIMARY SCHOOL HAD SOME FANTASTIC RESULTS THROUGH THE YEAR MAKING A CLEAN SWEEP OF ALL ATHLETIC EVENTS. THEIR FANTASTIC TEAM WAS LEAD BY PRIMARY HOUSE CAPTAINS NICOLE AND DREW. THANKS ALSO TO MRS WHITE FOR HELPING TO ORGANISE THE TEAMS THROUGHOUT THE YEAR.

MOST OF ALL, THANK YOU TO ALL THE MURCHISON STUDENTS, YOU GUYS HAVE BEEN AMAZING THIS YEAR AND I'M PROUD OF EACH AND EVERY ONE OF YOU. I WISH NIZAR ALL THE VERY BEST AS HE LEADS THE MIGHTY BLUE ARMY IN 2020 ALONG WITH EVERY MEMBER OF MURCHISON. I JUST KNOW THAT MURCH WILL BE BACK IN THE TROPHY HUNT NEXT YEAR STRONGER AND MORE DETERMINED THAN EVER.

GO MURCH!!

# SPORTS CAPTAIN

Arizona Galbraith

Being selected as the schools First Sports Captain has given me endless opportunities to lead the schools sporting element from organising activities, speaking at assemblies and carnivals to being a role model to the younger students.

Kick starting the years events with a successful **swimming carnival** with beautiful weather to then the hard fought out endurance race **cross county**. The **athletics carnival** was a successful day with 33 new records achieved, and Greenough taking out the spirit award plus winning the overall champion house, Go Greenough!.

**Country week** is definitely a worthwhile experience! I got to be a part of both the senior and district country week camps. It provides new opportunities to socialise with other athletes from across the state in a competitive yet fun environment. I was able to organise and participate in the staff versus student volleyball games, sadly with the staff winning both rounds.

I had amazing support and encouragement from all staff from the moment I was inducted, in particular the Health and PE Staff and Mr Moffat who helped me to keep improving my skills and confidence.

Take advantage of every opportunity around you as you are in an amazing place in the world, ***Just do it! Who cares what people think or what you look like just live and learn and enjoy every moment.***

I would like to wish 2020 Sports Captain Chloe the best of luck I hope you enjoy and cherish your time in the position!

# Mathematics

The teachers helping to shape the minds of Australia's future Mathematicians throughout 2019 were Ms Cole, Mr Da Silva, Miss Gerrard, Mrs Opalinski, Mr Paudel, Mrs Winterbine and Mr Zander.

Back due to popular demand is the annual Mathematics competition.

Correct answers to the below questions submitted to the Maths office before the end of week 2 term 1, 2020 will be in the running for the 1<sup>st</sup> and only prize; a stylish yet functional shopping bag from the Mathematics Association of Western Australia.

Questions:

1. Why is the following shop advertisement questionable?

2. How can this right-angled triangle have a side of length zero?

3. Is  $2 = 1$ ?

$$\begin{aligned}x^2 - x^2 &= x^2 - x^2 \\x(x - x) &= (x + x)(x - x) \\x(\cancel{x - x}) &= (x + x)(\cancel{x - x}) \\x &= 2x \\1 &= 2\end{aligned}$$

4. Explain the difference between the following

$$\text{soccer ball} + \text{soccer ball} + \text{soccer ball} = 30$$

$$\text{soccer ball} + \text{tennis racket} + \text{tennis racket} = 18$$

$$\text{soccer ball} - \text{american football} = 2$$

$$\text{american football} + \text{soccer ball} \times \text{tennis racket} = ??$$

$$x + x + x = 30$$

$$x + y + y = 18$$

$$y - z = 2$$

$$z + x \times y = ??$$

# Arts Captain

Being selected as Geraldton Grammar School's inaugural Arts Captain was a great opportunity to showcase the artistic talent that exists amongst not just the school, but our broader community.

The design of the year 12 senior formal this year - A Night Under the Stars, really kick started the year off with a great sense of glamour, showing the creativity behind the mind of the ball committee and most of all, Mr Moffatt.

Arts day - another first this year was perhaps the highlight of 2019, and as a collective effort was a great success, and the beginning of a tradition for many years to come. The whole day, consisting of karaoke, dancing, visual art displays and much more showcasing the high standard of art here at GGS.

The school production - Mystery on the Orient Express displayed the talent behind a number of drama students within our school and provided entertainment the whole community could get behind. Thanks to Miss Clarkson for all her hard work creating this fabulous show.

To finish the year off, the P&F Art Show boasted a night of sophistication, displaying and selling art from the year 12 ATAR art students as well as many talented artists in WA, with the proceeds from the sales contributing to the new school gymnasium.

Overall, 2019 was a wonderful year for the arts department of Geraldton Grammar School, and I cannot wait to see how much the arts will continue to grow in the future.

# Bundle of Happiness

Extract from a narrative biography task "Bundle of Happiness" by Poppy Lockley Year 10

Ramshackled houses line the dirt track and the small buildings lean on each other for support. Walls cracked with age unsteadily hold the thatched roofs, open windows and broken glass allowing peaks into the forlorn lives that inhabited them. Children squeal nearby, their emaciated bodies carelessly kicking a metal can on the hard dirt ground, unaware of the poverty and sorrow that surround them. I avert my eyes and find them burning, my throat aching as if I'd swallowed something too large. How could I have been so selfish all these years, wallowing in self pity, heedless of the tragedy that others must go through? How could I, a girl that was gifted so much when she was younger, be so sad when children that live in this wretched place can be so happy? This war-torn country is no place for happiness, for enjoyment, and yet it thrives like a seed in fresh soil. Yet that isn't right either. All around me I can find faces in pain, in anguish, in fear. It is not fair that I am given so much, so many opportunities, while others have nothing.

My heart beats rapidly when we get to our accommodation, away from the poverty stricken villages and into the well oiled machine of thriving society. Vans and stalls litter the streets, calling their wares and bargaining with interested customers. Many of the stalls stay open into the night, eager for the extra business that the night life provides. The hum of the market is smothered by the large double doors of the hotel and the cast head off to their appointed rooms, shoes echoing in the cavernous lobby. The stark white floor and embroidered curtains are a long way away from the deprivisional community of some of the villages. A receptionist smiles at me awkwardly, clearly wondering what I am doing standing like a statue in the middle of the room. I decide right then and there that I will help these people. I will do whatever it takes to assist in the betterment of their wellbeing. I have been given an opportunity to do something useful and perhaps, once I start, not only will I be making others happy but myself as well. This could be the end to the monotony, to the ceaseless sorrow. This could be a new beginning. A happy beginning. Just maybe...

## Persuasive Speech

Extract from a persuasive speech task by Izzy Krinks Year 9

In our society, most people assume that your pay is directly related to your job's importance. Now, as this may be the case for jobs such as McDonald's where employees are paid minimum wage, many jobs in our society are not as valued as they should be both in the pay they receive and the respect people show them. Sports stars, or should I say male sports stars, are astronomically overpaid. For example, the average par for a male AFL player (as in a player that no one even knows) is a cool \$371,000 a year. That is four times the national average income! Oh, and a popular player like Buddy Franklin? He earns \$1.1 million dollars a year! This is absolutely ridiculous seeing he only "works" for half of the year and only played 19 games during 2018. Compare this to a high school teacher that earns on average only \$69,195 annually whilst working 260 days a year doing arguably one of the most important jobs in our entire society, and you tell me who deserves the money more? The pay a person receives should be based on the job's importance! Teachers, nurses and police to name a few are some of the MOST underappreciated and underpaid jobs in our society.

# Rough Times in the Railroad

Extract from short story "Rough Times in the Railroad" by Tom McBeath Year 8

I gaze at the huge rocky wasteland I have never called home. I'm from the city, you see, New York. I travelled a long way, away from my family, my friends and my home. And for what, this crime-ridden desert? All I've done since coming here is murder after murder. I don't belong here. I was a businessman, an entrepreneur of sorts, head of Flanders Tailor's, but after a legal dispute with my wife, I was forced to leave and join Texas Red's gang, and don the name Billy-Boy. Texas Red is the most notorious outlaw of all time. I don't know what that bull crap about not being murderers was about, because he's put half the state into the dirt. I sigh out loud. What have I come to? Running errands for a low life gang? I fail to see the beauty in this barren desert. The land is dotted with tiny shrubs with razors for leaves, the rocky cliffs inhabited by snakes and other delinquents. The horizon isn't visible through the haze of heat, making the land seem to stretch forever. A mirage winks at me to the north, a small taste of freedom, but I'm well past falling for mirages. To the east is Blood Gulch, it's huge rocky walls bearing down on me like a child awaiting punishment after wrongdoing. A railroad track divides the canyon, splintering it into two. To the south, is the Outlands, a ravenous battlefield where everyone fends for themselves, a harsh unforgiving wasteland. Wars between gangs and wars against the law are constantly fought there, but the most dangerous part is the land itself. The only water is in an underground reservoir, and there's no getting out of it once you go in, and the only food is snake and cactus, if you're lucky to survive till breakfast. Finally, to the west is the country town of Armadillo, where civilisation truly thrives with the help of the law. Armadillo is a wasteland in its own way, as unforgiving and hostile as the Outlands. The sun glares down at me from above, marking high noon. Time to go.

## Bedtime Story of Batavia

Extract from short story "Bedtime Story of Batavia" by Demi Bestry Year 11

14th May 1660

My feet skipped along the cobblestones as I made my way home. The soft sweet scent of Mamma's famous poffertjes filled my nose. I got to the kitchen and placed my bag on the ground, sat down and waited for the poffertjes to cool down. "How was school Lieverd?" Mamma asked as I watched her move around the kitchen. I love watching Mamma gracefully move around the kitchen with her hands elegantly crafting as she bakes.

"Yes, it was good. I sat with Sara at lunchtime."

"That's lovely Lieverd, I'm glad you had a good day. Now finish your poffertjes, there's someone here to see you in the lounge."

I looked up at Mamma puzzled. There's someone here, for me? I was too curious to start my poffertjes so I jumped out of my chair and raced to the lounge room. Sitting in the armchair, reading his newspaper with his small old glasses was one of my favourite people in the world. "Opa!" I screamed and sprinted over to him and leapt into his old but sturdy arms.

He chuckled, "Jfi Snoepje," a warm smile filled his face as he hugged me.

I snuggled into the warm covers and Opa sat on the side of my bed.

"Opa, will you tell me one of your oh so fantastic, amazing bedtime stories?"

"Yes, I can? Which one do you want to hear?"

"Not a baby one, I wanna hear a big girl story!"

"Oh, you don't like Opa's princess stories?"

"No, no more."

"Okay then, hmm let me think." He sat there with that line across his forehead, he only gets it when he thinks really hard.

"How about I tell you a tale of sailors and endless oceans, of killers and heroes!"

"Yes please, Opa! That sounds great!"

"Okay well, our story starts not too long ago..."

## TWAS JUST BEFORE RECESS

Poetry for fun written by Daniel Stickney  
& Ben Walsh Year 7

TWAS JUST BEFORE RECESS, AND A POEM THEY COULDN'T WRITE.  
BENNY AND DANIEL STARED AT THE CLOCK IN FRIGHT.  
THE CLOCK VIBRATED AS IT TICKED AND TOCKED.  
BENNY TAPPED ON THE DESK, DANIEL PULLED AT HIS SOCK.  
WE MUST THINK OF SOMETHING! BENNY SAID LOOKING AT THE TIME.  
BUT WHATEVER THEY DID, THEY JUST COULD NOT RHYME.  
THE REST OF THE CLASS WAS IN FRONT BY A MILE.  
MS HOPE LOOKED AT THE TWO WITH A KNOWING SMILE.  
"ARE YOU BOYS ALMOST DONE?" MS HOPE SAID.  
"YES" DANIEL REPLIED AS HE SCRATCHED HIS HEAD.  
"BUT WHAT IF WE DO NOT FINISH?" JOE SOON CRIED OUT.  
"THEN YOU'LL SPEND 3 YEARS IN DETENTION!" MS HOPE STARTED TO SHOUT.  
"I'M SICK OF THIS CLASS NOT DOING THEIR WORK!" MS HOPE CRIED.  
THE KIDS SCATTERED ABOUT AS THEY TRIED TO HIDE.  
AS THIS SITUATION ESCALATED, AN IDEA SPANG TO MIND.  
"BENNY! IT'S A MIRACLE! I'VE GOT A POEM!" DANIEL SIGNED.  
BUT BENNY WAS TOO BUSY DODGING THROWN HASS BOOKS.  
DANIEL ATTEMPTED TO WRITE, HIDING IN NOOKS.  
WHEN AT LAST A POEM WAS FINISHED.  
THE BOYS PROBLEM DIMINISHED.  
A REPORT CARD SAID THEY HAD SOMEHOW GOT A B.  
AND BENNY AND DANIEL SMILED WITH GLEE.

## Life of an Oak Tree

Randolph Stow Poetry by Shanaya Gronow Year 7

I remember when I was a seed,  
Planted in a great big field,  
Safe inside an acorn,  
Using its shell as a shield.

I remember when I started to grow,  
Shooting up towards the sun,  
Breaking through the soil's surface,  
My life had just begun.

I remember when I was a metre tall,  
I was a healthy little tree,  
Leaves glistening in the sun,  
My whole life lay ahead of me.

I remember when I was a big tree,  
My branches held a birds nest,  
My trunk was over two meters wide,  
I was at my very best

I remember when I turned sixty,  
The worst year of my life by far,  
My field replaced with ugly buildings,  
Nature replaced with roads and cars.

I remember when the cyclone hit,  
One of my biggest branches broke,  
It landed on a power line,  
It killed one of the townsfolk.

I remember the fateful day,  
A crowd formed around me,  
Chainsaw teeth cut into my trunk,  
People thought I was a dangerous tree.

Now I will stop remembering,  
Because here is where I descend,  
Now I will stop remembering,  
Because this is where my life ends.

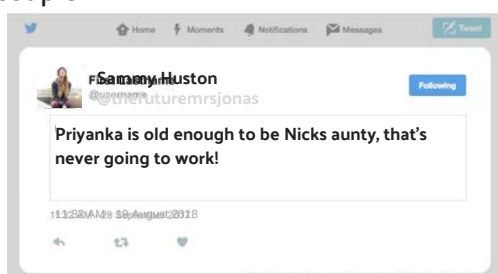

# TEEN GOSS MAG

## Mind the Gap: Do age gap relationships really matter?

The American singer, Nick Jonas (27 years old), and actress, Priyanka Chopra (37 years old), married in two different ceremonies to honour each other's customs. Their wedding was trending on twitter not long after it had been publicly announced. Whilst the Jonas brother tweeted out to thank everyone for their support- many fans were quick to spread alarmed messages about the age difference between the newly wed couple.

Like long-distance relationships many people are quick to assume that age gap relationships are destined for failure. However, Relationship Resources did a study last year which revealed that the satisfaction of a relationship is significantly higher with those with a reported with an age-gap.

It was also noticeable that the members of the couple experienced lower-jealousy and greater trust than similar-age couples.

The biggest factor that hindered the relationship (to no surprise) was the worry of social disapproval. If people are at risk of their family or friends disapproving, the commitment of the relationship decreases and chance of a breakup increases. The negative outcomes do not come from problems within the partnership but from opinions from those surrounding them.

It's clear that age-gap relationships remain controversial yet, they continue to happen, and successfully. The prosperity of a relationship depends on the extent that individuals share common values, interests, support for one another and intimacy. These factors are not defined by the age of the partners. You cannot help who you fall in love with, in some cases your partner may be much older - or younger - than yourself. A lot of people are standing up for gay and lesbian rights and I couldn't agree more! I'm proud to live in a country where it is legal for anyone to marry who they want. The lack of support for age-gap relationships should not be swept under the rug. Like gender, age should not be a barrier. Personally, I wish the best of luck to Nick and Priyanka in their marriage.

# GLOBAL PROJECTS

## "EAT RIGHT, BE BRIGHT"

This year's focus for our global project with india, was the exploration of food culture and ideas on healthy eating around the world. Year 7 and year 9 students worked collaboratively to explore traditional and modern cuisine in different regions and relationships between culture and food. From research and through teamwork, students created presentations and an E-Magazine which were shared with children at Mother's Global School in India.

# Nepal Sister School

Ongoing support of Shree Janakalyan Primary School provides an opportunity for Geraldton Grammar School students to gain an appreciation of how lucky they are to have access to a good education and simple things such as clean water and electricity – things often taken for granted!

This year's fundraising theme saw students and staff entering into the spirit of the day, dressing in the colours or uniform of their favourite sport, team or athlete.

This money was sent to the primary school in Nepal to help them pay for books, games and other resources that they need. Past fundraising has also paid for things such as a new roof, water supply and a fence.

Thanks to everyone in our school community for your generosity.
