ANTI-BULLYING POLICY

Geraldton Grammar School aims to provide a caring and safe environment for its students and staff. This promotes learning, personal growth and self-esteem. Bullying has no part in our School and the School community aims to further develop the existing School culture by actively discouraging any form of bullying. This includes strategies to prevent bullying and guidelines for dealing with bullying when it occurs.

DEFINITION OF BULLYING

The term, being bullied, means that someone is subjected to repeated behaviours by an individual or a group or there is a significant imbalance of power between these parties. These repeated behaviours may be hurtful, threatening, frightening, or intimidating. Bullying may take many forms.

Physical bullying: Including fighting, pushing, shoving, kicking, throwing objects, invading someone's personal space.

Verbal bullying: Including name calling, putting people down, continuous teasing, spreading malicious rumours, making racist or sexist comments, making undermining references to size, looks, body shape or sexual orientation (LGBTI).

Non-verbal bullying: Including threatening gestures and stares, persuading another person to insult someone else, removing or hiding belongings, deliberately excluding someone from a group or activity, writing or passing offensive notes about someone.

Victimisation: Including extortion, stealing, or deliberately damaging someone's property, making someone do something against their wishes, making hurtful threats.

Cyber bullying: Including sending messages electronically, by email or mobile device that are insulting, threatening or unpleasant. Voice, text and picture messages, directly to their victims, with intent to spread malicious rumours. Including any communication through social media platforms such as Snapchat, Instagram, or Facebook

Bullying will not be tolerated at Geraldton Grammar School and it is the right and responsibility of every student and staff member to report bullying. In every case the complainant will be supported when making a report about Bullying Please refer to the section - Reporting of Bullying for more information.

The School will maintain a climate where students and staff feel that it is their right and responsibility to report incidents of bullying, and to ensure the students feel that when these incidents are reported, they are supported by staff.

RESPONDING TO REPORTED INCIDENCES OF BULLYING

When a bullying incident is reported or observed we will use the following graded sanctions

- Convene a restorative practice meeting. Which includes the class teacher and a head of department in Primary and the Head of Department in Secondary. - Appendix 1
- If mediation is unsuccessful, talk to the students involved about the incident and remind them that such behaviour is not acceptable. Comfort the victim and point out how he/she feels.
- Ensure Restorative Practices Methodologies are utilised.
<http://www.restorativepractices.org.au/the-process/>
- Warn the bully of the consequences of further incidences.
- Inform other staff of the incident and record it on SEQTA (student records system)
- Monitor the behaviour of the students involved following this discussion. Try and give the bully some tasks to do or some responsibilities or praise them for doing something right.
- If the aggression is repeated, separate the offending student from the group for 'time out'.
- If the student continues to bully, make an appointment to speak to the parents/guardian. Remind them of the policy and ask for their cooperation in stopping the student from bullying other students.
- Review and discuss a behaviour plan with the offender and their parents.
- If none of the sanctions succeed in stopping the student from being aggressive, they may be suspended or excluded – either from the playground or from school for a short period of time. This is at the discretion of the Head of School in consultation with the Principal. This action will be recorded on the student records system (SEQTA).

The Staff will be responsible for ensuring the Anti-bullying Policy is implemented throughout the School, and that any incidents of bullying are reported in a timely manner and are in line with the Anti-Bullying Policy.

What have you thought about since?
How has this affected/hurt you and others?
What has been the hardest thing for you?

Step 4 Say to all participants:

“Now that we have heard how all of you have been affected/hurt in some way by what has happened, is there anything anyone would like to say at this point?”
